Connect Modular Storage System Combinations

Ball Bearing Drawer Slides NEW Products

Cabinets that connect together

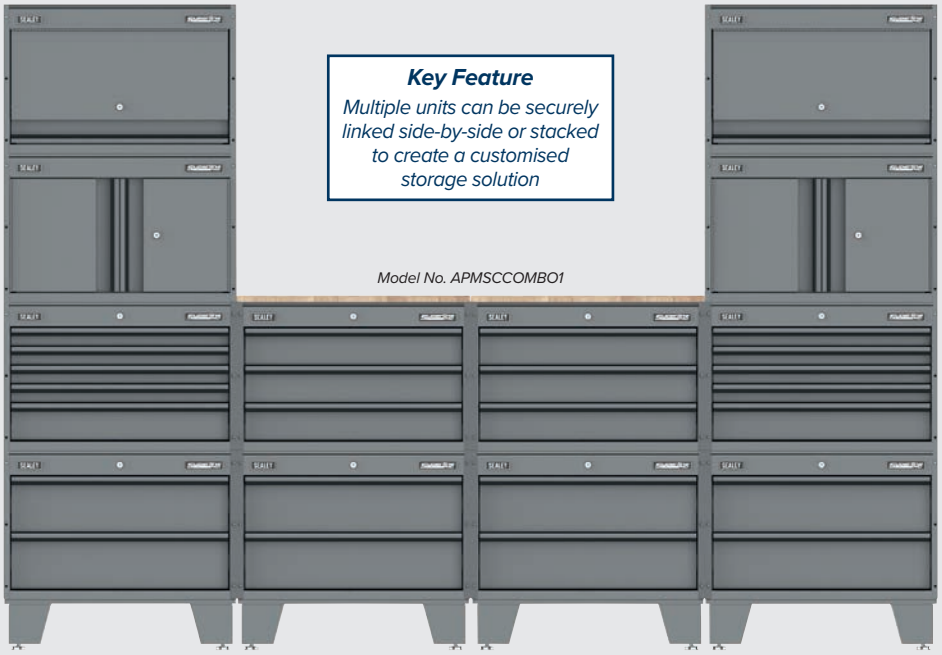

Our new Connect Modular System allows you to add or remove cabinets and adjust your layout whenever you need. You can choose to fit castors for mobility, feet for a fixed unit or add a worktop to create a functional workstation.

All cabinet units are supplied with fixing plates (x2) and bolts (x16).

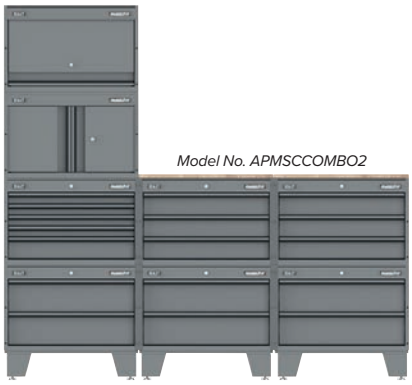

Key Feature

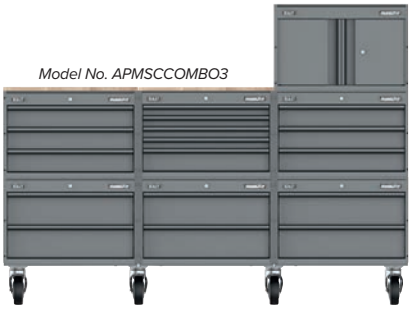

Multiple units can be securely linked side-by-side or stacked to create a customised storage solution
